

TRAUMA-INFORMED PERINATAL WORKSHOP

Presented by **Dr. Tracey Vogel**, nationally recognized OB anesthesiologist, trained sexual assault counselor, and the creator and Director of the Perinatal Trauma-informed Care Clinic in Pittsburgh, Pennsylvania.

About the Workshop

Join ILPQC for an engaging half-day workshop designed for **all clinicians**, focused on delivering trauma-informed care in perinatal settings.

Led by Dr. Vogel, this interactive session will feature:

- Foundational education on trauma-informed care principles
- Practical patient communication strategies for clinicians and staff
- Small-group case exploration and skills-building activities
- Techniques for managing acute stress responses
- Simulated patient interactions with trained actors

Participants will have dedicated time for questions, self-care, and reflection.
